RAK
ceramics

Porcelain slabs

FOR BATH SURROUNDS, STEPS AND SILLS

A hardwearing but polished finish
to complete every room renovation.

ENDLESS OPPORTUNITIES
TO FINISH-OFF TO A
STUNNING STANDARD

PORCELAIN SLABS

Cut and polished to your personal needs to form a step, surround a bath, cover a boxing or windowboard. Worktops for kitchens, vanity units, reception desks and bars.

PERFORMANCE FEATURES

- 20mm thick, maximum size from a full sheet 1795mm x 1195mm
- Almost impossible to scratch
- Virtually stain proof
- No thermal shock as porcelain is already fired at 1200 degrees
- No fading from sunlight
- Almost impervious to liquid absorption at 0.05%
- Less expensive than marble, granite or quartz
